Personal Statement

‘I am an artist who has been given a gift that I want to pass on. I want to be able to spread my skills to make the world a beautiful place. I have a warm and friendly nature where I feel people can connect with me of all age groups. I am a respectful person with beautiful communication skills who is open and honest with people. I remain calm and maintain a pleasant demeanour when faced with unpleasant situations. With my self awareness and personal integrity, I am always committed to doing my best.’
